The club is planning an end of year function on the 8th October to be held at the Werribee Race Track function rooms. The social committee will hold many social functions throughout the year celebrating our 40th birthday.

Junior Player Registration Day

Date – Time: February 5th between 10.00am and 1pm.

Your attendance is required to update all family details and inform the club of any new children.

2011 registration forms will be in the club on your arrival. All training nights & times will be available in the club.

Small sided football has changed to include U10's this season playing 9 v 9 on ½ a pitch. **What does this mean to us?** Better start to the game with your child/ren playing football in their own age group rather than being expected to play against players up to 2 years older. We gain better squad balance; kids playing against own age and stronger squad development for the future.

Competitive season: Starts 2nd May (2 weeks later than last year) All training nights & times will be available in the club room.

Thank you
