Hoppers Crossing Soccer Club

Dear Peter and other committee members.

I would like to take the opportunity to give a heartfelt thank you for the support you gave for the Mitchell Harrower Charity Day, raising money for Very Special Kids.

The day was a huge success. The kids had a ball. The spectators had a laugh but at times wondered whether it was in fact a 'friendly' game. The auction in the evening was great fun, with a lot of money raised.

I would like to thank the volunteers who helped out on the day, setting up, serving the food, and of course running the bar. I may have been slightly stressed but everyone else seemed to be quite relaxed, which was wonderful to see. It was great to see the club full of supporters again.

I am so pleased that Hoppers Crossing Soccer Club has taken on Very Special Kids as their primary charity. It means a lot to me, as I know first hand what a wonderful organisation they are. The more exposure we can give them here in the Western Suburbs, the more support can be harnessed to allow them to continue to operate and provide the wonderful services they do for families of children with life-threatening illnesses

Over \$23,000 was raised. A truly wonderful result, and I look forward to making next years event bigger and better.

Once again, thank-you.

Kind regards

Douglas Harrower
